

Residents Ages 16 and up

Register NOW for your COVID-19 Vaccine

All CT individuals **16 years of age or older** are now eligible and qualify for the COVID-19 vaccine. Several scheduling options are available.

Schedule by Phone

Residents can call the **Connecticut Vaccine Appointment Assist Line at 877-918-2224**, seven days a week from 8:00 a.m. to 8:00 p.m. for appointments throughout the state of Connecticut. *Due to high volume, hold times may vary.*

Schedule Online

Appointments can also be made online. To register online and make an appointment, fill out the State of CT online form:

<https://dphsubmissions.ct.gov/OnlineVaccine>

Assistance for Seniors (55 and older)

The City of Norwalk has partnered with the Senior Services Coordinating Council and the Norwalk Senior Center to launch phone assistance lines for Norwalk seniors seeking information regarding COVID-19 vaccines. **Seniors may call:**

- **Senior Services Coordinating Council (203) 434-1876, or**
- **Norwalk Senior Center at (203) 847-3115 (English)
or (203) 299-1500 (Español).**

Norwalk Wait List

The City of Norwalk now has a waiting list for residents who are eligible to receive the COVID-19 vaccine. Complete the form at norwalkct.org/waitlist. In the instance a Norwalk Health Department vaccination clinic has extra doses or appointments available due to cancelations or no-shows, residents will be called at random to fill open appointment slots. This is *not* an appointment request. Submitting information *does not* guarantee someone will be contacted to receive a vaccine. Residents should not sign up on this list if they have already been vaccinated, as this will not be used for any second dose vaccines.
