

## **YMCA SUMMER EMPLOYMENT OPPORTUNITY – RACE FOR CHASE COORDINATOR**

I wanted to share a job opening that is available for this summer. Our Race 4 Chase program is looking for someone to act as our on-site Director. The program is held at Brien McMahon High School and runs for 6 weeks from June 22-August 1. There are limited hours prior to the first day of camp to organize and prepare for the summer but the Director would need to be on site Monday through Friday 7:30am-2pm once camp began. The position calls for someone over 21 years of age and bilingual is a plus. Rate of pay is \$18-\$22 per hour depending on experience. The individual must be organized, compassionate and be a liaison between parents, coaches and the community.

For anyone who is not familiar with the Race 4 Chase program, it is a triathlon training camp for children ages 5-13. The camp was founded in memory of Chase Kowalski a kindergartener who lost his life at Sandy Hook. Chase was a kind and caring young athlete and our program teaches our campers the same important values that Chase possessed. Our motto is “is not important to be the best, what is important to do your best”. The program is offered at no cost to the children who participate. We provide everything they need to become successful in the training process-shoes, shorts, bathing suits and bikes. We also provide breakfast, lunch and transportation.

If you know of anyone, perhaps a former student, friend or teacher looking to do something meaningful this summer please share this with them. This is a great program and an even greater opportunity for so many youth who would not have a summer experience.

We are also hiring counselors for the program. if you know anyone who you feel would be a good fit for the program and a role model for our kids, please have them contact me directly.
