The Work We Do Every Day Matters!

Literacy with Ms. Jill

During the month of February we will continue to work on Reading Comprehension and questioning. Students are learning loads of new words through educational games.

February is Black History Month and the theme this year is ***"Black Migrations" honoring African Americans in motion -- as they moved from the farm to the cities, and from poverty to the national stage in business, politics, literature and the arts.*** We will examine the following people Clara Brown, Stephen Smith, Samuel T. Wilcox, Annie Malone, and Reginald F. Lewis

STEM! with Miss Sheiree

The February STEM focus: ***"The Faces of Science: African Americans in the Sciences"*** Students will be able to see that African American chemists, biologists, inventors, engineers, and mathematicians have contributed in both large and small ways that can be overlooked when chronicling the history of STEM. We will also continue our Kitchen Chemistry unit! Up next-Learning to Measure Accurately: Liquid vs. Dry Ingredients....
