**A Quick Recap: 2018!**

Hello, Washington Village families. As we rap up 2018 and welcome in 2019 we would like to say thank you to those who remained faithful with us throughout our transition to King Kennedy. The students are enjoying their new home. For 2019, we hope for bigger and better things to enhance their academic year.

**December Activities**

We ended the year with our annual holiday singing competition. Washington Village took home the 2nd place trophy for the "Freestyle Competition." Dewayne played Rudolph along with Mya, Jaelanie, Karizma, and Aalijah, as backup singers with Jeffrey as Santa.

Thanks to the Norwalk Police Department for giving our students Christmas presents.
