Welcome Angelo Legerme whose dream is to one day become a singer.

We are "Planting Seeds for Success"

In the month of January several students were awarded for their attendance and participation at the WV Learning Center

Former student Elliott Folston stops in to visit Mr. Riley and the WV students. He shared his experience about attending the learning center as a child. He is now serving our country and lives in Japan. His word of encouragement to the students was, "Take advantage of everything that the teachers at the learning centers teach you."
