HAPPY BIRTHDAY
 Christina Antonie & Chvia Wilson

During the month of March, we kicked off the celebration of National Literacy Month with NHA’s 1st ever, ReadCon, which was sponsored by the Norwalk Reads, Inc... All of the literacy coaches came together and organized the event using the theme: “Countries from Around the World”. Tables were set up at the CNI building on Water St displaying books and cultural attractions from Nigeria, Mexico, France, Italy, and Greece. Each student received 2 free books from Norwalk Reads. Our literacy coach Miss Jeannine received help from Jaelanie and Aalijah who performed an African beat using drums at the Nigerian table.

Mrs. Rose wore a native African outfit.

STEM Enrichment
Monday-Thursday
 5:00-6:00 p.m.
